GENERAL INFORMATION.

The edifice of the N. W. Institute is new. No pains or expense has been spared in its construction, to render it complete in its adaption to scholastic purposes. Its site is unrivaled for beauty and healthfulness.

Unwearied efforts are made by the Teachers to establish pupils thoroughly in the elements and fundamental principles of whatever they study, and also to habituate them to a prompt and elegant expression of the ideas they may acquire. Constant demonstration on the black-board, and frequent reviews are therefore practised. For further particulars, see the Annual Catalogue and Circular of the Institution.

NEWARK WESLEYAN INSTITUTE, FOR MALE AND FEMALE EDUCATION.

BENEDICT STARR, M. A. Principal,

Assisted by twelve thorough and accomplished Teachers,
Male and Female.

This Institution is located between High and Shipman streets, near the corner of William. The entrance for Ladies is from Shipman street. Gentlemen enter at the western front on High street.

The N. W. Institute combines the advantages of both a Male and Female Academy, located under the same roof, subject to the same government, and taught by a joint Faculty.

It embraces two distinct suits of rooms, on opposite sides of a passage, connecting only at the Principal's office, the recitation rooms, and the Chapel. Young gentlemen and ladies only meet in the presence of their teachers; their study rooms being entirely separate. Young Ladies have the double advantage of studying under the supervision of Female Teachers, and of hearing the Lectures and receiving the instructions of the gentlemen Professors, in sciences and languages.

The Male and Female departments are each classified in three divisions, viz:—*Primary, Middle and Academic.* Each division is subdivided into grades, according to the advancement of Scholars.

COURSE OF STUDY.

PRIMARY DIVISION.

Reading, Spelling, Defining, Elementary Geography, History, and Arithmetic, Philosophy of common things, Linear Drawing, Composition of Sentences, Vocal Music.

MIDDLE DIVISION.

Reading, Spelling, Defining, Grammar, Arithmetic, Ancient and Modern Geography, Philosophy, Penmanship, Ancient and Modern History, the use of Globes, and the construction of Maps, the Elements of Latin, and of Natural Science, Composition and Declamation, Linear Drawing.

FEMALE CHARITABLE SOCIETY OF NEWARK.

Organized 1803—51 years ago.

~~~~~

This Society was formed in 1803. The object of which was to assist all *worthy poor* females of this City, without denominational distinction, who are of good character and standing, and in need of assistance. An annual sermon has been preached by some one of our Clergymen, and a collection taken in aid of the Society, which, together with donations from other sources, has enabled the Society to *ameliorate* the condition of thousands of suffering *poor* in this City.

The total amount received from November 14, 1852, to November 14, 1853, was - - - - \$809,40

Whole amount expended in the same time - 720,25

And the number of families assisted (more or less) 300

The last annual sermon was preached the 8th of January, 1854, in which the claims of the Society were ably feelingly, and forcibly presented by Rev. Dr. Wilson, in the First Presbyterian Church on Sunday Evening.

Amount of Collection - . - - \$257,83

Also at High Street Church - - - 75,04

Total - - - - - \$333,23

## PROGRESSIVE GROWTH OF OUR CITY.

The following table shows the growth of our population during the last thirty years; in which period it appears to have grown from Six Thousand to Fifty Thousand—and that too by those regular gradations that indicate a sound and wholesome progress. There is, in truth, nothing forced or facetious in this remarkable growth. The prosperity rests upon the surest of all possible grounds—steady industry and sound morality. At the present rate of progress—and we see nothing that is likely to check it—the population must approach at least an hundred thousand within another 20 years.

**PIERSON'S  
NEWARK CITY DIRECTORY,**

FOR THE

79th YEAR OF AMERICAN INDEPENDENCE,  
FROM 4TH JULY, 1854.

*Important Observations to those using this Work.*

Throughout this Directory, the Christian name - of those where there are more than one of the same surname, are carefully alphabetically arranged, male and female, firms, &c. In searching for a name, the inquirer must know the proper spelling. For example, a person seeking for—Pirsson, will not find the one sought for if he looks in the names of Pierson; so, also, for Bonnell, he should not look among the Bonnells; and for Conger, not in Congar; and for Parcels, not look in Parsals, Parceils, or Parsil; nor for Hays in Hayes.

HISTORY OF THE NEWARK CITY DIRECTORY,

FOR THE PAST TWENTY YEARS.

I commenced this enterprise in 1835, in the following way, viz.:—A man by the name of William Moulton (*at the suggestion of his friends*) collected the names for Directory (*the population at that time being 18,200*), employed me to draw the names off, and arrange them in alphabetical order; which I did do, at an immense cost of time and labor; and said Moulton, being of very intemperate habits, was unable to go on with the printing and proof reading. I then told him I would give him fifty dollars for collecting the names, and take the business myself—to which he consented. I published six hundred copies at fifty cents; and after paying *all* expenses, I had the enormous sum of fifty-eight dollars over for *all* my trouble and labor. In 1836, I published 930 copies, at 62½ cents, accompanied with a copperplate map, which cost me \$30. I sold *all*, and fell short about 100 copies of being enough. In 1837, I published 1,250 copies at \$1, accompanied with a large lithograph map made by S. Dod, Esq., which cost me \$150. I sold about 600, and had 650 copies over; and for what I did *sell*, I could not collect *all*. Then it was that I thought the Directory was at an end. But as I am one who never surrenders, I went on and prepared my manuscript for 1838. When, lo, and behold! not one of the four presses in this city would undertake to print it for me, fearing they would not get *pay*. I then took up my New York Directory, and on the cover it said, "Printed by G. P. Scott & Co., John street, corner of Gold." I then took my manuscript and went to New York, and found Mr. Scott (*long since deceased*). I told him how I was situated—that I was *poor*, but *honest*. I offered him *no* reference. He said he did not care for any reference, as my face was good enough for him. He ordered the paper immediately, and set his men to work on the Directory, and soon finished it, and he was promptly paid. The number published was only five hundred. In 1839 I gave him the job again, and published 600 copies, and sold *all*.

and paid him as before promptly. In 1840, Mr. Scot finding me *all right*, wrote to me for the job again. The our citizens (*finding I had kept the Directory alive*) said 'If you don't get your printing done in Newark, w won't buy your book.' I then contracted with Mr. Aaro Guest to do my printing, which he did for *nine* years, u to and for the year 1848, publishing annually 600 copies. Mr. Guest removed to the *West*, and A. S. Holbrook too the office, and has done my printing ever since, notwithstanding he was totally burned out September 2nd, 1851—this year being the sixth year that he has done the printing, much to my satisfaction. This year (1852) the price was raised to \$1 25. I increased my number yearly, until it has reached 1,000 copies. In 1837 I had a copperplate map made from my large one, reduced as to occupy the space of two pages, which cost me \$36 ad from \$15 to \$20 since for additions of new streets, alterations from year to year. My book has now reached 500 pages, and for taste and arrangement of matter it cannot be beat by any book of the kind in any city. The cost of publishing 1,000 copies was, in 1853, \$723; this year 1,000 will cost \$740. The cost has increased from \$25 to \$40 per year without a corresponding increase of sales. I used to pay for many years \$5 per Ward for canvassing four Wards, and now pay \$100 for eight Wards. My paper that cost \$40 now costs \$115; binding, at first cents a copy, now costs 10 cents; so that my income for the *twenty* years, instead of making me rich enough to retire, has yielded me only a *scanty* support, notwithstanding many thought I was *coining* money fast. During the years 1838 and 1839 I was preparing my *Runner's Guide* which I published for the first time in 1840, and afterwards re-wrote it, giving the commencement of each street and the course it run to its terminus, and the numbers at the crossings of each street, which cost me when completed \$600. I have added to my map this year several new streets, and several streets extended, viz.:—Of new streets—Forest avenue, Lemon, North Plane, East Quarry, and Sandford streets; and extended—James to Nesbitt, Joyden to Nesbitt, East Broad to Stone Bridge, Passaic to a Brook, Ogden to Bridge, Beecher to Crawford and Church, Orchard to Parkhurst, Plume to Sheffield, and extended the Cemetery Lot. I have altered the Seventh Ward to Seventh and Eighth, the South Ward being divided, and the names changed to First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth. I have got alterations made on my map plate, 1, 2, 3, 4, 5, 6, 7,

8, 9. The boundaries of each Ward are as fol.
 First Ward (*North*), by New, High, Quarry, East Qua.
 the River, and Centre street; Second Ward (*West*), b
 Broad, William, High and New streets; Third Wa
 (*South*), by Broad, William, High, Broad, Clinton Tow

 Orange Township, Orange, Quarry and H streets
 Eighth Ward, by East Quarry, Quarry, Ora. Orar
 Township, Belleville Township, and the R
 Ward, by Broad, South Broad, Railroad aven
 and Fair streets. There have been built dur
 over four hundred buildings of various kinds (
 ings); and notwithstanding the large number
 there is a great scarcity for the rapid increase of
 lation, and scarce any one dare to let go of their
 fear they cannot get another. The population (*wh.
 be found on the cover*) I think will reach 50,000.
 Churches now number *fifty-one*, which are located in ea
 Ward as follows, viz.:—First Ward, 8; Second War
 12; Third Ward, 4; Fourth Ward, 13; Fifth Ward, .
 Sixth Ward, 2; Seventh Ward, 3; Eighth Ward,
 Ninth Ward, 4; Total, 51. I have taken great pains
 get up a List of Dressmakers, which was great, as
 I have employed a competent board of canvassers, and
 the citizens have taken any pains to give in their nam
 my Directory will be found first rate. But the grea

 sending servants to the door to give in the names—m

 as to be understood. My orders to my men are, to tak
 information from servants. I have now finished my la
 (*except selling and collecting*) for the twentieth year of t
 NEWARK DIRECTORY; and it only remains for th
 citizens to do their duty, in not only *buying*, but payi
 for their books on delivery, and not make it cost
 dollars to collect *one*. NEWARKERS, QUIT Y
 SELVES LIKE MEN.
